

1980 RAIDER

BRAD McAFEE

Brody,
I've known you for a long time
and I've enjoyed knowing you. You
are a great friend. We've had fun in 3rd
and 5th period. I don't think anyone
could have a better friend like you.
Good luck with your dad's friends.
Thanks always,
Steve Whitman

Brody,
I have lots of fun on weekends
when we go working around. Maybe
Me, you and Clark will get better in
playing guitar. I'm glad to have a
friend like you. Good luck with everything
and have fun. We summer for three
will go camping and about anything we
can do in the summer. Well, well, well
you later and good luck with the girls.
You shouldn't have any problems with
that.
Your friend,
(Auntie) Alex Simon

Reserved

Brad,

Where do I begin to tell you how much you mean to me? I believe our friendship grows more and more each day. You are my idea of one alright guy. You seem to always be there when I need you most. Maybe someday we will get our special night but until then just remember how very special you are to me & how much I'll always love you! Always remember the good times & forget the bad because the good far surpass the bad!

May the sun always be on your shoulder,
The wind always be to your back,
And love remain in your heart forever!

Love Ya,
Beth Mullins

Brad,

well I don't even know where to start, we have been through too much together. You should know by now that you are just like a brother to me, well if you don't, you are. I have had so much fun the past 3 summers that you have worked for David. Brad I can come to you with anything and at least you listen when no one else will, I admire you for that. People like you don't come very often, so to me you're one-in-a-million. Looks, personality, you take them all. I've never known a person like you before. well, listen you take care and be careful driving those tractors.

but once.

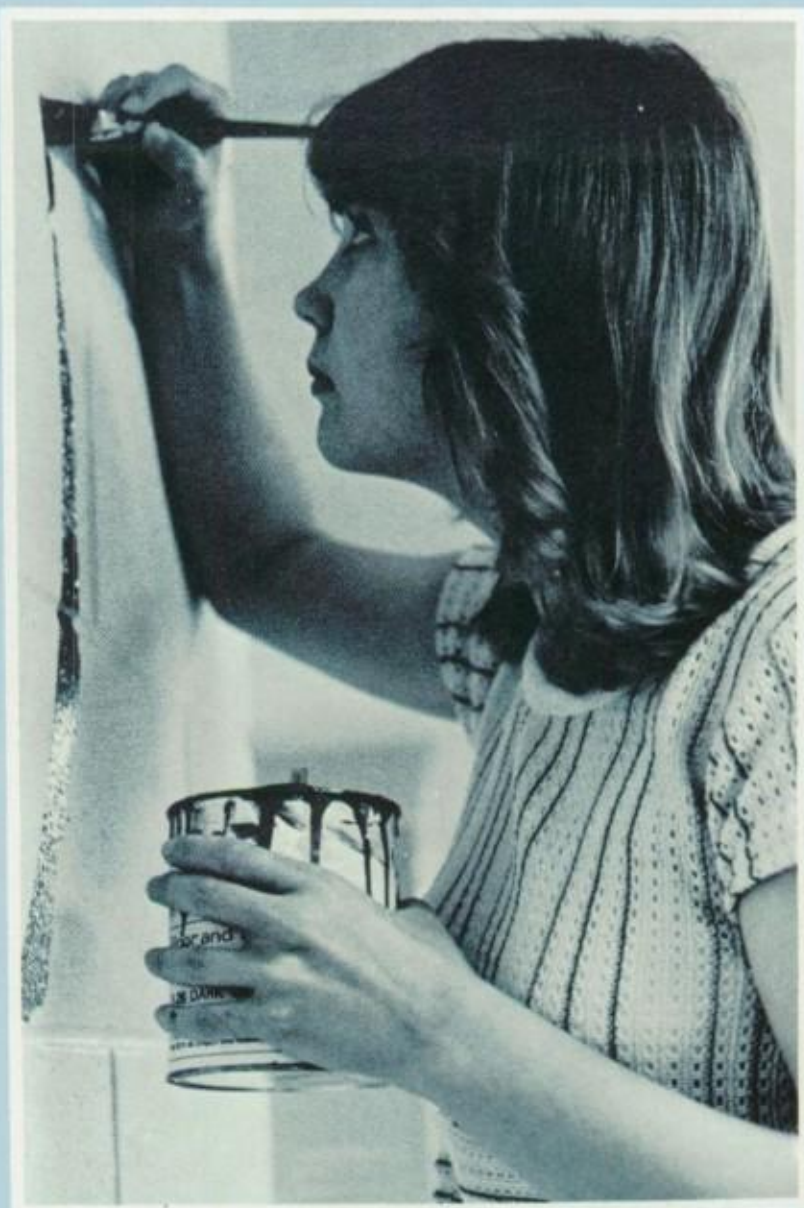

Any good
therefore

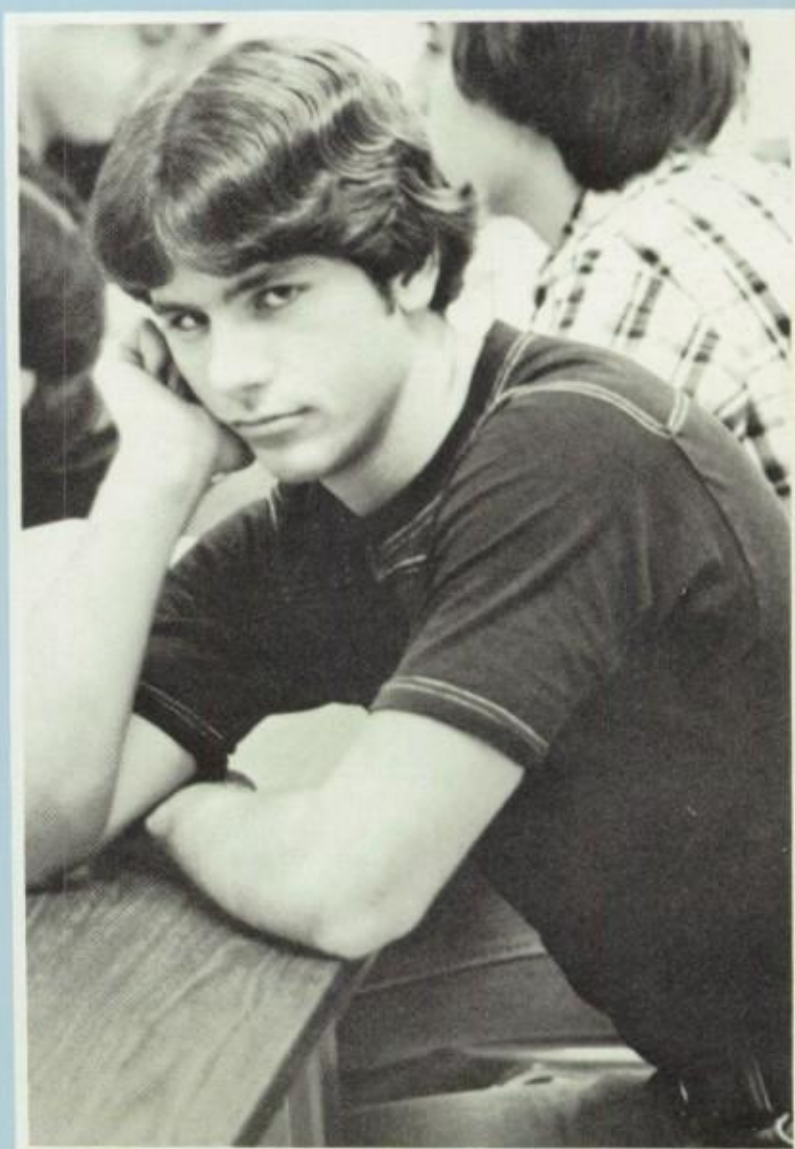

that I can do,

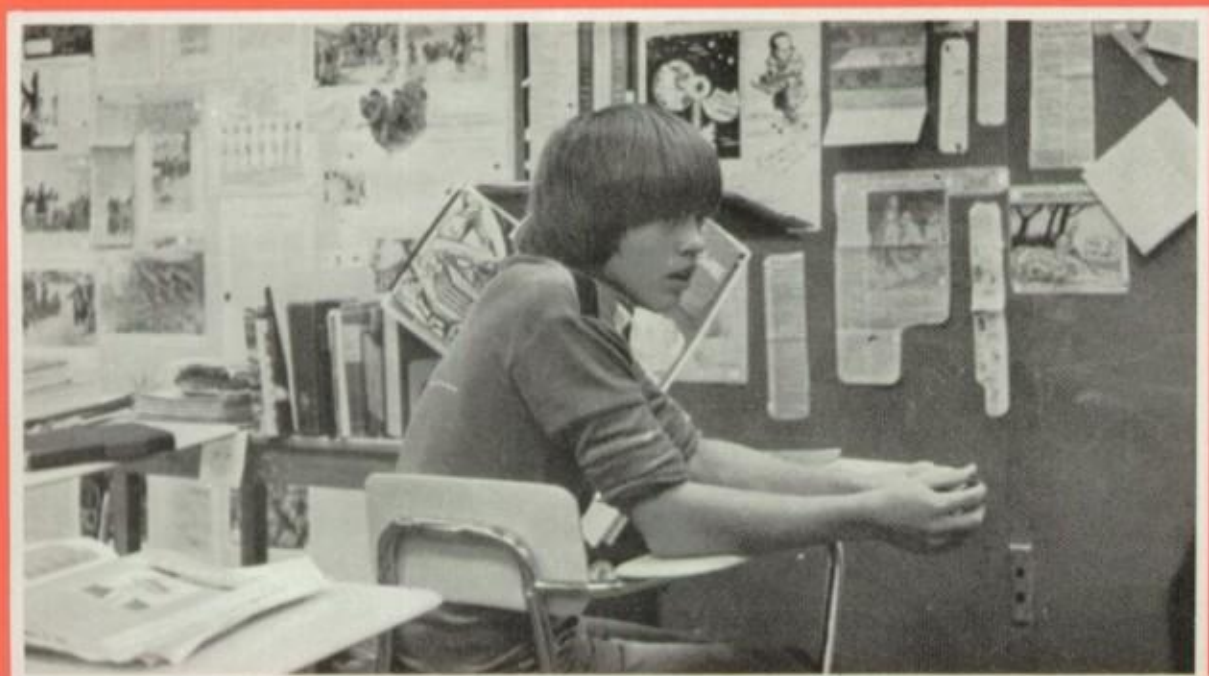

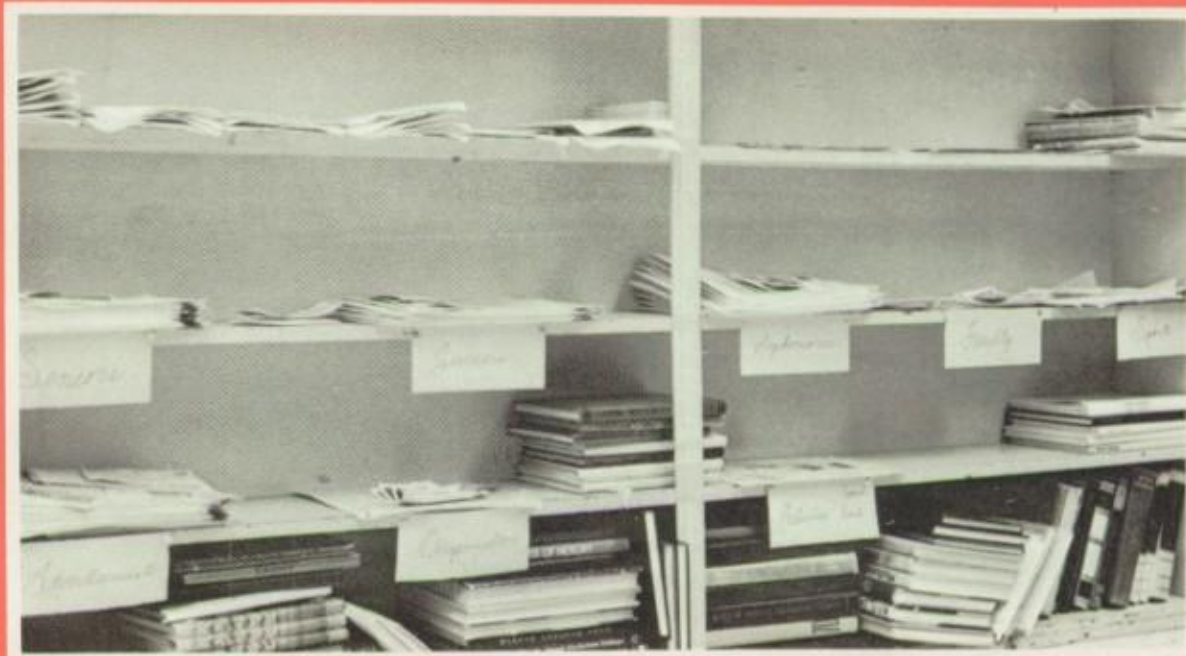

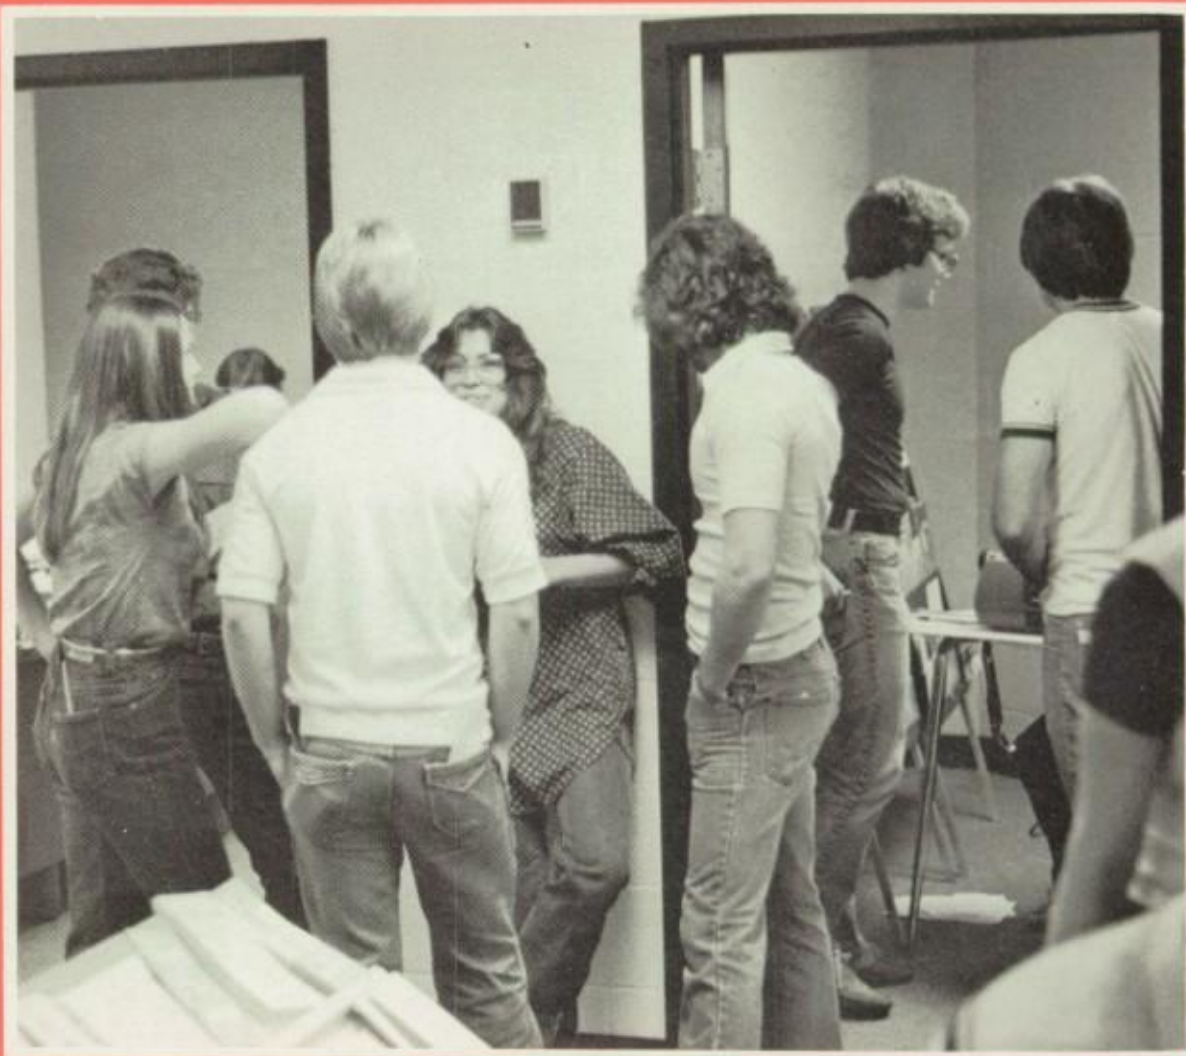

or any kindness

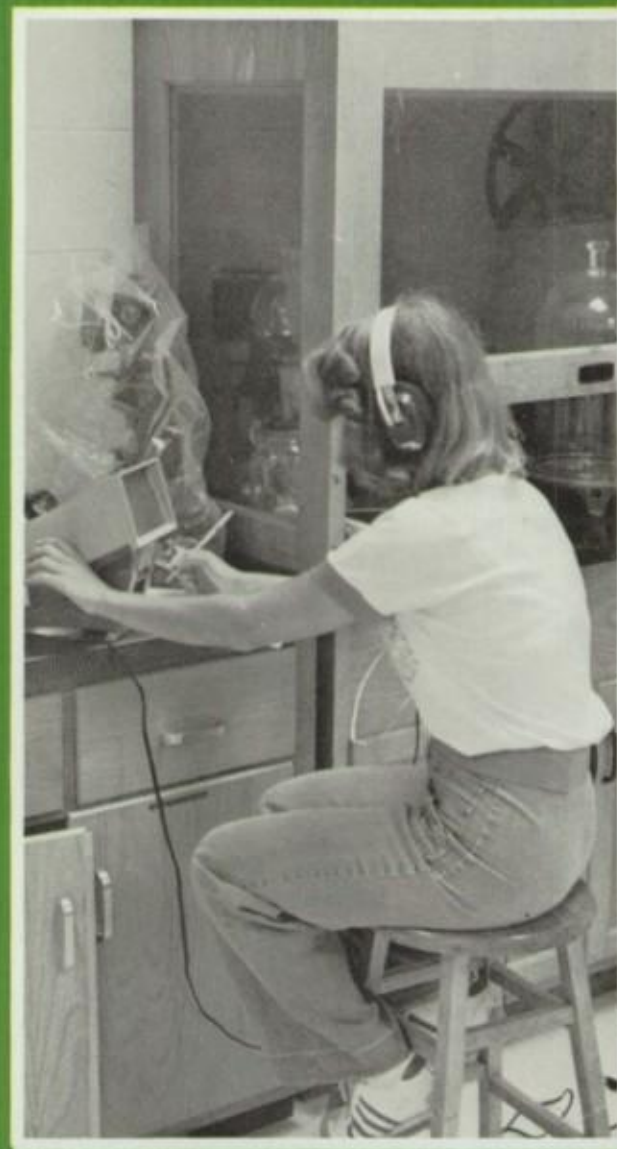

that I can

Let me not defer or

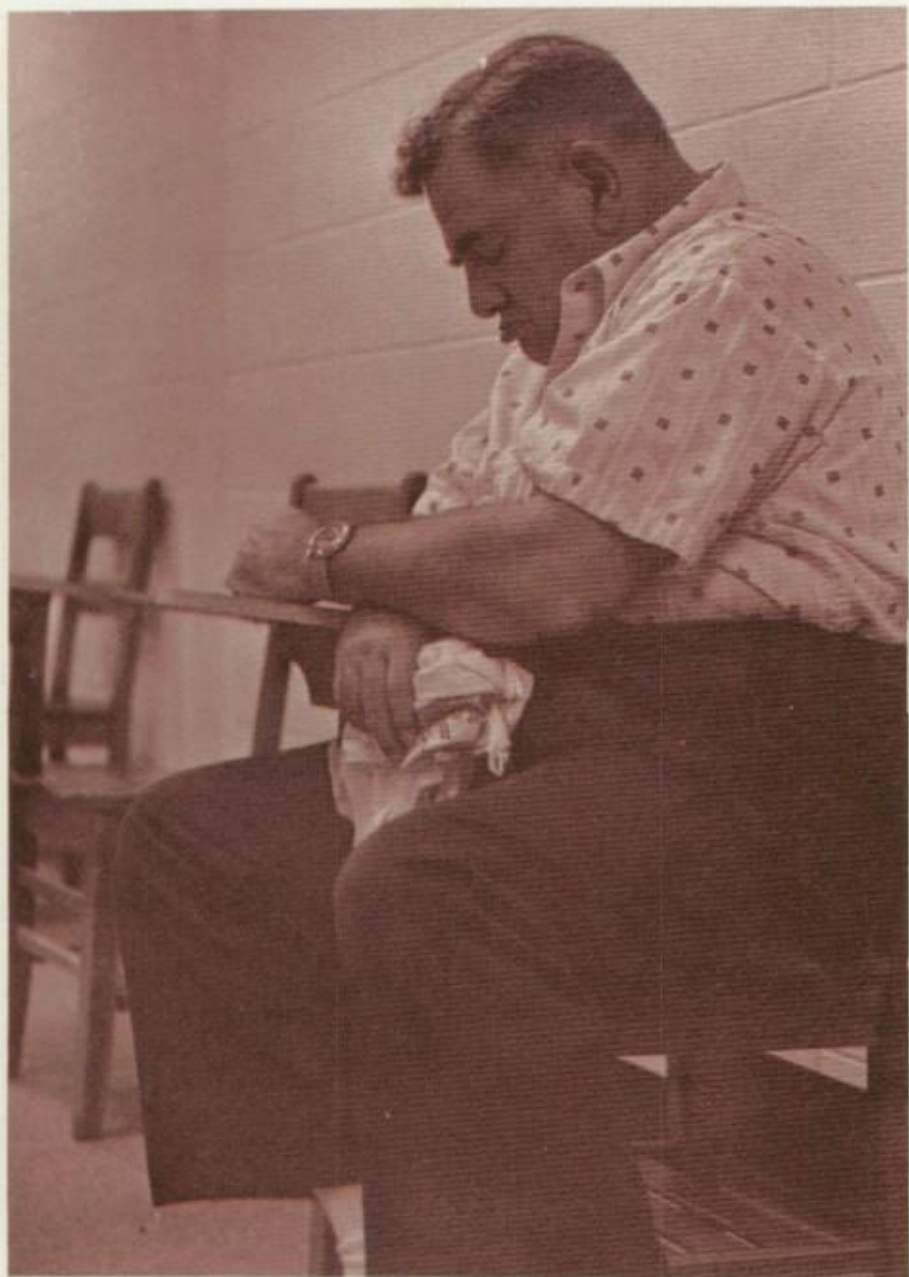

Love Ya.

What's

Brad's

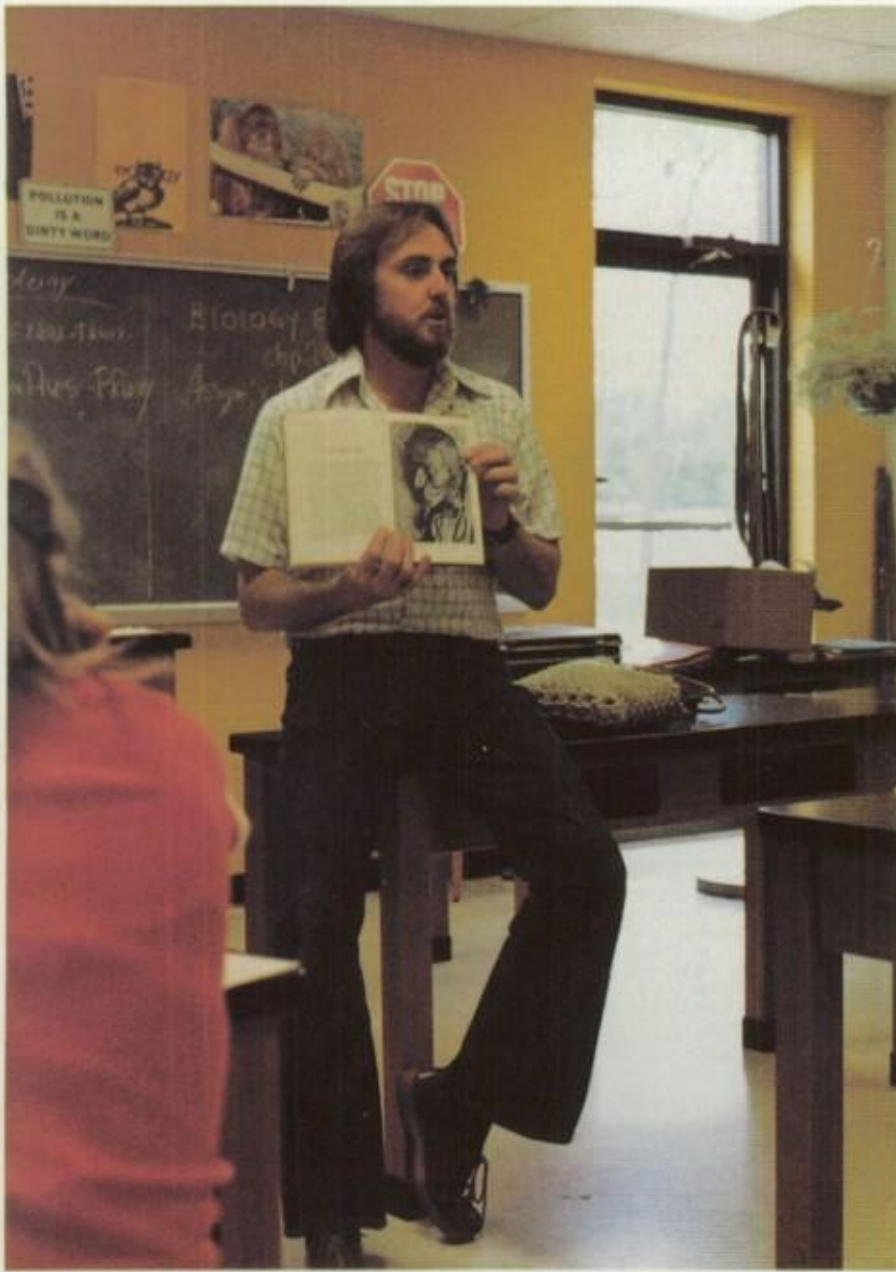

neglect it, for I

shall not pass

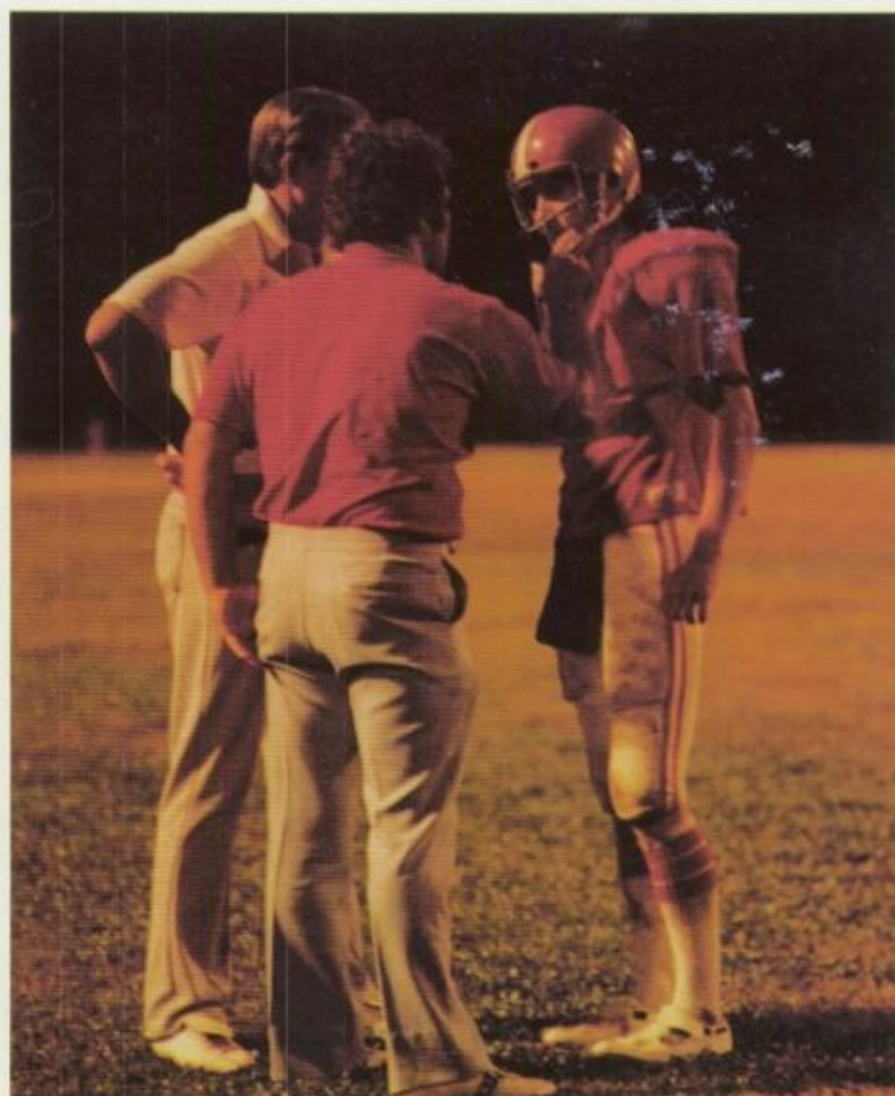

this way

again.

In Dedication To Our Friend Butch

In loving memories from your friends.

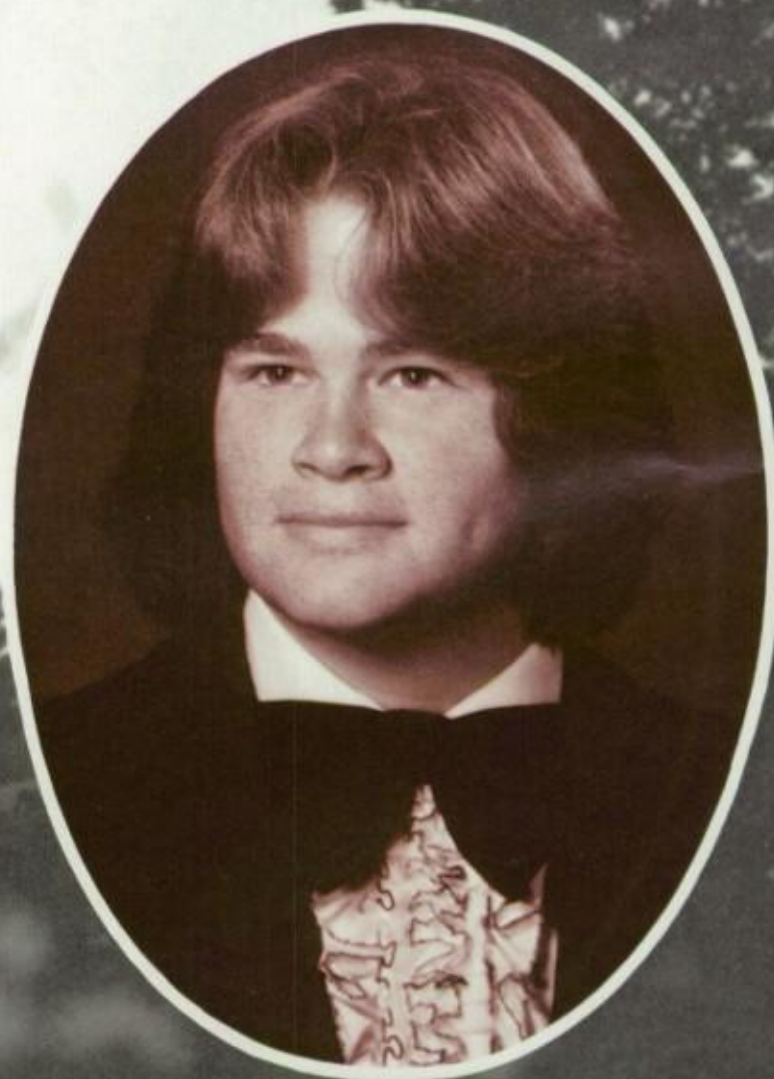

It's difficult to find the words
to express what we feel
in our hearts —
To envision life without your humor
without your enthusiasm —
without you.

We question the reason why
you were the
chosen one,
But the answer is
not for us
to know.

Your untimely passing
has brought us
much grief.
We can only hope that you —
touched some of the rainbows —
reached some of the stars.

It is difficult to accept
your being
gone,
But the mark you have left
on us — your friends —
can never be erased.

We will meet again
someday, but
until then,
We will live each day
for you — through
our loving memories.

Manchester 12 Sparta 0

The head-coaching debut of L.E. Oakley turned out to be a pleasant one as the Red Raiders defeated their hosts, Sparta, 12-0. The season's first score was made when senior defensive tackle Justin Stephens recovered a Sparta fumble in the end zone. Quarterback Ricky Bratcher later scampered two yards for the final score of the game dedicated to Butch Elrod.

Manchester 7 Oakland 20

The following week Manchester was at home to face the Oakland Patriots. Nothing seemed to go right for the Raiders. Manchester's aerial attack seemed non-existent as did their ground game. Manchester threw for 116 yards, and they were limited to 64 yards on the ground. Dale Gipson pushed his way over the goal line for the Raiders' only points.

Manchester 10 Franklin Co. 35

The Manchester gridiron squad traveled to Winchester only to face defeat. The Raiders fell behind early but bounced back to fall to a four point deficit at half-time. The Raiders could not get any momentum in the second half which was totally dominated by the Rebels.

Manchester 14 Fayetteville 34

The Red Raiders went to Fayetteville to battle the Falcons. Bratcher scrambled from the one yard line to produce the first score of the night. The determined Faculty offense rolled up 34 points. Richard Crowell latched on to a Bratcher aerial to cap the Raider scoring in a losing cause.

Manchester 3 Shelbyville 14

Manchester played host to the Shelbyville Eagles the following week. The Raiders were the first to score with Steve Hammonds' field goal. However, the Eagles outscored the Raiders 14-3. The Raiders managed nine first downs as opposed to Shelbyville's fourteen. Manchester obtained 151 yards to Shelbyville's 205 total offensive yardage.

Manchester 21 Lebanon 0

The Red Raiders broke a four game losing streak by turning back winless Lebanon 21-0. Bratcher, Phipps, and Crowell broke daylight for six. Hammonds and Bruce Smith added extra points for the Raider cause. The Raiders amassed 309 total yards against the Bue Devils' 174. Manchester picked up 17 first downs to 10 for Lebanon.

Manchester 6 Smyrna 3

For the first time in eight years, the Red Raiders won their homecoming game. The victory was made possible by a fine defensive effort on the part of the Raiders, who allowed only a fourth quarter field goal to the Bulldogs. Ricky Bratcher paired with Bruce Smith for Manchester's only points on a 51 yard bomb. It was not an offensive night for the Raiders whose total yardage for the game was 139 yards as compared to Smyrna's 173. Also, Manchester had 5 first downs against Smyrna's 7. The game closed with the Raiders knocking at the Bulldogs' door.

Manchester 20 Lawrenceburg 13

Manchester avoided the CTC cellar by defeating host Lawrenceburg, 20-13. The Raiders scored twice in the first half; however, the Wildcats led at the half 13-12. Gipson smashed over the goal from the four at the beginning of the fourth quarter. Bratcher connected with West to cap the night's scoring. The Raiders gained 197 yards to 174 for the Wildcats. Manchester had 10 first downs to Lawrenceburg's 4.

Manchester 7 Columbia 27

The Raiders fell to Columbia at home 27-7 the following week. Bratcher scooted over the goal line for a fourth quarter TD; Hammonds kicked the extra point. This was the Raiders' only score. The Raiders gathered 271 total yards, 153 of which were because of Bratcher's passes. Columbia managed 240 yards against the Raiders.

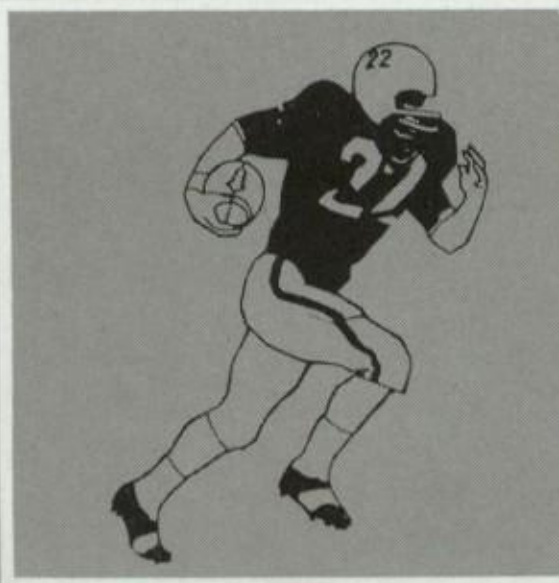

Manchester 6 Tullahoma 7

The season closed on a sour note by the Raiders failing to recapture the "Coffee Pot." The 'Cats scored first, but the Raiders answered when Bratcher scampered 59 yards for their only TD. The extra point conversion failed, which resulted in the one point deficit in the final score. Tullahoma gained 200 yards while Manchester picked up 129. The Raiders' record stood at 4-6 after the final game.

Congratulations Coach Oakley on your first year as head coach!

The Building Trades classes build a house each year as a class project. This year the house is a three bedroom brick veneer house. The students in the classes do all the work such as plumbing, wiring, masonry, carpentry, and decorating. Under the leadership of Donald Still the students gain valuable knowledge for future careers.

LANDSCAPING PROJECT

On Saturday, November 17, 1979, students, faculty members, and members of the community gathered at Central High School to complete a portion of the school's landscaping project which was designed to enhance and add color to the campus. Several clubs and organizations contributed to the project in both time and money. In addition to flowers, trees and shrubs planted by the workers, the Manchester Jaycees donated eighteen concrete benches to be placed around the campus.

Brad,

You're my sweetest cousin I do believe (except for maybe Greg & Carson I don't want to hurt their feelings) & dad we're cousins sometimes but sometimes I regret it and I think you know why. You're a very lovable but cranky person that I hope will always be good friends with. Remember skating? I do. Well I'll go for now. Good luck in all you do and everyone (girl!) you pursue.

Love,
Deanna

Central High School took on an international spirit this year with the arrival of Valtemir Mendes and Wolfgang Schmeisser. Valtemir came to us from Aquiduanã, M.S., Brazil while Wolfgang came from Bremen, West Germany. Each exchange student brought excitement and a bit of his culture to CHS. The cartoon below was drawn by Valtemir who exhibited that humor knows no language barrier.

We can live a year but once. The good that we have done as a school has been recorded in these pages. Thanks to the kindnesses shown by Dick Lineberger, Jimmy Jones, Sanford McGee, and Ron Bingham, we have a pictorial record which will help us remember the 1979-80 school year. No, we shall not pass this way again. The year is gone, but its memories will be ours forever.

I hope you made the guy was down. Remember

Brad,

I've been sitting here for five minutes trying to decide how to start. Now that I've started, I still don't know what to write, but I'll try. Like you said, we sure have been through alot. In fact, I'd always hoped it wouldn't ever come to this. But I guess it's just one of those things that had to happen. The worst times are when we don't talk. I don't know why, but I feel so much better when we talk - even if we're fussing. At least then we're communicating. I've told you before - that I ~~don't~~ won't ever feel ~~that way~~ about anyone else the way I feel about you, and I mean it. We've had so many good times together, and I haven't ^{forget} (and won't ever) ^{forget} any of them. You're the nicest, sweetest boy (man?) I've ever known, and I'm serious about that. I've told you that you sing really good, but you won't believe me. I want to hear you again sometime - that means singing and playing the guitar. Remember that Sunday that you came over & then we went to your church? That was alot of fun and I hope we can do it again. I've really missed you these past couple of months. I tried not to, but I just couldn't help it. And like you said - people told me - "you'll find somebody else". But that's the last thing I want. It just proves to me how much I love you. I hope we can see each other this summer. Please call me when you can (or want to). Maybe one of these days we will be back together, just don't know I might know. One Sera Sera. I do know that I want you to be happy - whatever it takes. I love you, ^{always} ^{forever}

Brad, I want you to be happy - whatever it takes. I love you, ^{always} ^{forever}

Boy, I thought I'd never find a place to write! You are a terrific friend who I'll never forget, I couldn't even if I tried. It has been fun having Economics with you (even though you did sit halfway across the room! Haha). You are a really good-looking guy who just happens to be very crazy. They remember all those 'big bubble' letters I used to write you last year, cutt up. I hope next year we have the opportunity of having some classes together next year. If we don't then you just gonna have to opt your schedule changed somehow! HA! Good luck with whatever the lucky girl might be someday!

P.S. Hope to see you this summer!

Love ya like the brotherhood,
Crosby

Brad,
 It was really

 of two girls. It was
 fun in the darkroom
 1st semester and in Biology
 + Geometry. Did you behave
 yourself this year sitting
 over there with those girls.
 Maybe more classes next year.

Brad,
These past few years have been really great but I believe
these past few months have been the nicest I have ever had.
If it's up to me there will be many more months to come.
We've always been so close when it came to having
problems and Lord knows we have had our share!
I hope we can always be this way no matter what
happens in the future. you know ^{now} I feel about you,
so there's really no need in ^{going} into any step details.
I'll just summarize it for you. You're the guy who
has everything and gives everything he has to
make someone happy and you've made me happier
than anyone ever has, but then you always did. I
always feel so good when I'm around you. When
something's wrong you can always tell. No matter
how hard I try to hide it you can still tell. How I'll
never know but when we talk about it, it always
helps. You always have the right words for me when
I'm down. I love you a lot more than I could tell
you or show you but if you ever feel the need to
get away or find someone else (which I hope you don't)
I'll understand because I've been there. Just come
and tell me. Don't worry about what you'll think
I'll do just come and tell me the truth.
I'll never forget our first date! There's really no word

Brad,

Your a super great
guy and have alot
going for you. Being
neighbors and all - we
ought to play some ball
this summer. Remember the
day I ran away and went
to your house? Well if you
ever want to run away, you
can come to mine. Take care
of Kelly - she's really special!

Love
